

Acer campestre 'Panacek'

Metro Gold® Maple

Height: 35' | **Spread:** 20'

Zone: 5b

Shape: Upright narrow oval

Foliage: Dark green

Fall Color: Bright yellow

Insect Resistance:

Japanese beetle

This upright, narrow oval cultivar has a tighter shape than Queen Elizabeth™ and is much narrower than seedling hedge maple.

Selected by nurseryman Herman Panacek, it produces fewer seeds than typical and has an improved bright yellow fall color. This is an excellent street tree selection from a species that has earned a reputation as a tough city tree.
