

Autumn Fest® Maple

Acer saccharum 'JFS-KW8' PP 22034

Zone: 4
Height: 50'
Spread: 35'
Shape: Upright oval
Foliage: Dark green
Fall Color: Orange red to red

Strong upright growth and reliable, early fall color make this a stand-out in the nursery and on the streets. Vigorous, with a good central leader, it is faster growing with a more upright shape than typical of sugar maples.
