

# Scarlet Sentinel<sup>®</sup> Maple

*Acer rubrum* 'Scarsen'

**Zone:** 4  
**Height:** 40'  
**Spread:** 20'  
**Shape:** Upright, rather narrow  
**Foliage:** Dark green  
**Fall Color:** Yellow-orange to orange-red

A strong upright branch pattern gives Scarlet Sentinel<sup>®</sup> an oval to rectangular outline and a bold appearance that makes it an excellent tree for streets and parking lots. Leaves are darker green and larger than those of other Red Maples, and they hold up well in summer heat.
