Sophora japonica ‘Regent’

Regent® Japanese Pagodatree

**Height:** 50'  |  **Spread:** 45'
**Zone:** 5

**Shape:** Upright spreading, rounded crown

**Foliage:** Lustrous dark green leaves

**Fall Color:** Yellow

**Flower:** Creamy white, in clusters

Rapid growth habit and attractive, large lustrous leaves that seem to resist insect attacks are among the reasons to plant this durable summer-flowering shade tree.
