

# Chinese Kousa Dogwood

*Cornus kousa chinensis*

**Zone:** 5  
**Height:** 20'  
**Spread:** 20'  
**Shape:** Wide  
vase to rounded,  
layered branches  
**Foliage:** Medium  
green  
**Fall Color:**  
Reddish  
**Flower:** White

Four large white bracts form star shaped "flowers" in June. An unusual and beautiful dogwood that is hardier, more drought tolerant and disease resistant than *C. florida*.
