

# Eddie's White Wonder Dogwood

*Cornus* 'Eddie's White Wonder'

**Zone:** 6  
**Height:** 25'  
**Spread:** 20'  
**Shape:** Upright, pyramidal; slightly pendulous branching  
**Foliage:** Dark green  
**Fall Color:** Red  
**Flower:** Large white bracts  
**Fruit:** Small red

White flower bracts of this hybrid cultivar are much larger than those of its parent *C. florida*, and it grows taller. It is also easier to grow and more adaptable than its other parent, *C. nuttallii*.
