

Emerald Avenue® Hornbeam

Carpinus betulus 'JFS-KW1CB' PP 22814

Zone: 5
Height: 40'
Spread: 28'
Shape: Broadly pyramidal to ovate
Foliage: Deep green
Fall Color: Yellow

A stout trunk, strong central leader, and sturdy branch arrangement led to our nicknaming this brawny tree "The Hulk." Vigorous and easy to grow, its performance is impressive on the street. When others look tired during the dog days of summer, Emerald Avenue™ maintains healthy deep green foliage, thanks to its superior heat tolerance.
