

Flashfire® Maple

Acer saccharum 'JFS-Caddo2' PP 23361

Zone: 4
Height: 45'
Spread: 40'
Shape: Broadly oval
Foliage: Dark green
Fall Color: Bright red

Selected from Caddo Mountain sugar maple seedlings, this tree has the brightest red fall color we have seen in a cultivar adapted to Southern heat. It features dark green summer foliage, better mildew resistance than other Caddo selections, strong growth, and brilliant red, early fall color.
