

Heartland[®] Catalpa

Catalpa speciosa 'Hiawatha 2'

Zone: 5
Height: 50'
Spread: 25'
Shape: Upright narrow oval
Foliage: Dark green, large leaves
Fall Color: Yellow-green
Flower: White, in large clusters

Narrow form, upright growth habit, uniform branching, and darker green foliage recommend this improved selection of our native Northern Catalpa. Easier to grow in the nursery, it is more suitable for most landscape and street uses than seedling-grown trees of the species.
