narrow oval  
**Foliage:** Dark  
green  
**Fall Color:** Bright  
yellow

**INSECT  
RESISTANCE:**  
Japanese beetle

This is an excellent street tree selection from a species that has earned a reputation as a tough urban tree. Upright and narrow in form, it is much more slender than seedling hedge maple and a better fit for narrow city streets. It produces fewer seeds than typical of the species and has an improved, bright yellow fall color.
